Eligibility

Small industrial businesses and many small businesses operating in or near New York City's industrial neighborhoods qualify for this loan. Please contact NYBDC to confirm eligibility and discuss product options.

Loan Terms

Loans range from \$50,000 to \$750,000 with variable terms. Application fees apply.

Partner Information

To support New York City's small manufacturers and industrial neighborhood businesses of all types with access to affordable growth financing, New York City Economic Development Corporation and Goldman Sachs *10,000 Small Businesses* have partnered with the New York Business Development Corporation and the Excelsior Growth Fund to launch the Industrial Neighborhood Business Fund.

Goldman Sachs *10,000 Small Businesses* and NYCEDC are not lenders under this program. Loans are extended by New York Business Development Corporation and Excelsior Growth Fund.
